IN RE: Case 10 CIV 1720

Dear Judge Forrest:

We were previously told by the clerk that telephonic appearances were not possible. However, we only learned this morning from Deputy Joe Pecorino that this is in fact untrue.

We hereby request a telephonic special, not general appearance for Amb. Sean David Morton, Real Party in Interest, Sui Juris and Amb. Melissa Morton, Real Party in Interest, Sui Juris, for Monday, February 11, 1:00 PM Eastern Time.

As stated in the motions currently before the court, Melissa Morton, is in ill health and is unable to travel, and both of the Morton's are financially destitute and do not have the financial means to travel out of the sovereign California republic and into the foreign, non-domestic Federal Southern District of New York.

Thank you for your assistance in this matter. Please inform us as quickly as possible the procedure for the telephonic special, not general appearance. We can be reached at 31-374-6039 or by fax at 310-318-1848.

Respectfully,

Amb. Sean David Morton
